

# *Decorative Rain Tanks Price Sheet By Oasis*

*19 solid colors, 19 speckled colors, 4 stone effect colors\*\**

**Villa\*** - *When the Villa design was established focus was on economy but not at the cost of quality. This is a one-piece tank design, the top is non-removable. These tanks have a basket strainer top, external overflow, and PVC fittings. All tanks include a 3/4" PVC ball valve for draining, 1-1/2" overflow fitting, 1-1/2" clean out fitting.*

Gallons	Size	Price	cost / gallon
65	20" x 47"	\$169	\$2.60
100	27" x 43"	\$239	\$2.39
200	36" x 49"	\$339	\$1.69
360	48" x 49"	\$599	\$1.66

**Peso** - *This is a one-piece design tank, the top is non removable. There are large holes in the top with a screen over those holes held in place by a plastic retaining ring. They come with a 3/4" brass ball valve for draining, a 1-1/2" elbow at the top for an overflow, and a clean out fitting.*

Gallons	Size	Price	cost/gallon
65	22" x 48"	\$199	\$3.06

**Aries\*** - *This is a one-piece design tank but it has a large hole cut out of the top allowing access for an internal overflow. The recessed hole is covered with a black top held in place with 4 wing nuts. This top comes in many different designs that are cut out using a CNC machine. Some of the designs include a chile, cowboy on bronco, splash, cow skull, etc. See separate handout for complete listing of designs. Screen material is stapled to the underside. Included are a 3/4" brass ball valve for draining, 1-1/2" internal overflow, and clean out fitting.*

Gallons	Size	Price	cost/gallon
100	27" x 43"	\$299	\$2.99

**Cubo** - *The flagship design offered by Oasis. With its completely removable top cleaning is a breeze. The primary design "wagon wheel" top has that western look and is great both under scuppers or using a downspout. A second top design "the one hole" works well as a companion tank linked to a wagon wheel top tank. The Cubo comes with a 3/4" brass ball valve for draining, 1-1/2" internal overflow, and a clean out fitting.*

Gallons	Size	Price	cost/gallon
55	25" x 35"	\$239	\$4.34
100	27" x 43"	\$299	\$2.99
200	36" x 49"	\$385	\$1.92

**Agua Fria** - *If you want a heavy tank for cold winter climates this is the one. Same look as the Cubo, just a thicker wall. It comes with a 3/4" brass ball valve for draining, a 1-1/2" internal overflow, and a clean out fitting.*

Gallons	Size	Price	cost/gallon
100	27" x 43"	\$379	\$3.79
200	36" x 49"	\$455	\$2.27
360	48" x 49"	\$729	\$2.02

**Low Boy** - *This low profile tank can fit in some tight spots where others won't. It is also the answer for a tank that would have to go in front of a window. It is a one piece design with a basket strainer in the middle. Fittings would include an internal or external overflow, a brass ball valve for draining, and a clean out fitting.*

Gallons	Size	Price	cost/gallon
200	50" x 24"	\$460	\$2.30

\* These designs are new so information and pictures will not be found in our current catalogue

\*\* Stone effect colors are an additional cost. Above prices are for solid or speckled colors.

Additional fittings might include a bucket high valve @ \$22 each installed or linking fitting at no additional charge.
